Hi Sarah,

Just talked to you about Water Committee report to you tomorrow after I discuss with Alyssa and Barry Buchanan, Consultant, about his presentation on Tuesday, Sept. 24th.

Here is my creative thinking about how to make the W. S. Downtown Campus idea a reality by replacing aged water and sewer infrastructure with our Federal Partners and planning the areas and future building facilities for a vibrant business and traveling tourists stop on highway 26 between Portland and Bend with the Tribes right in the middle of a 3 1/2 hour one-way trip.

We appreciate you and other Federal agencies involvement to want to help the Warm Springs Tribes. We press On!

Best Regards,
